

The 40-Day Prosperity Plan

by John Randolph Price

Here is a program for realizing abundant prosperity in your life and affairs. According to the mystical Christian principles, on which this program is based, it takes 40 days for consciousness to realize a truth. A break in practice during the 40-day period will release the energy being built about the new ideas. Therefore, there must be a definite commitment to faithfully follow this program each and every day for 40 days. If you miss even one day, start over again and continue until you can go the full period with perfect continuity.

Here is the course of action:

- To prepare, select a 30-minute period around the same time every day, either when you wake up, before you go to bed or another time.
- Attain a delightful journal that symbolizes prosperity to you. Decorate it however you wish and make sure it has at least 100 pages of blank paper.
- There are 10 statements, so this means you will go through the entire list four times during the 40-day period.
- After reading the daily statement meditate on it for at least 15 minutes, focusing on each idea in the statement with great thoughtfulness and feeling, letting the ideas fill your consciousness. After each meditation period, write in your journal the thoughts that come to you. Be sure to do this daily.
- You are making powerful changes in your consciousness that require you to make a commitment to the program. A break in practice during the 40-day period will release the energy being built about the new ideas.
- On the first day of the program write the statement shown below in your spiritual journal:

This day, (show actual date), I cease believing in visible money as my supply and my support, and I view my current world of effect as it truly is ... simply an out-picturing of my former beliefs. I believed in the power of money, therefore I surrendered my God-given power and authority to an objectified belief. I believed in the possibility of lack, thus causing a separation in consciousness from the Source of my supply. I believed in mortal man and carnal conditions, and through this faith gave man and conditions power over me. I believed in the mortal illusion created by the collective consciousness of error thoughts, and in doing so, I have limited the Unlimited. No more! This day I renounce my so-called humanhood and claim my divine inheritance as a Being of God. This day I acknowledge God as my supply and my support.

TEN STATEMENTS OF PRINCIPLES

by John Randolph Price

The First Statement of Principle:

God is lavish, unfailing Abundance, the rich omnipresent substance of the Universe. This all providing Source of infinite prosperity is individualized as me - the Reality of me.

The Second Statement of Principle:

I lift up my mind and heart to be aware, to understand, and to know that the Divine Presence I AM is the Source and Substance of all my good.

The Third Statement of Principle:

I am conscious of the Inner Presence as my lavish Abundance. I am conscious of the constant activity of this Mind of infinite Prosperity. Therefore, my consciousness is filled with the Light of Truth.

The Fourth Statement of Principle:

Through my consciousness of my God-Self, the Christ within, as my Source, I draw into my mind and feeling nature the very substance of Spirit. This substance is my supply, thus my consciousness of the Presence of God within me is my supply.

The Fifth Statement of Principle:

Money is not my supply. No person, place or condition is my supply. My awareness, understanding, and knowledge of the all-providing activity of the Divine Mind within me is my supply. My consciousness of this Truth is unlimited, therefore, my supply is unlimited.

The Sixth Statement of Principle:

My inner supply instantly and constantly takes on form and experience according to my needs and desires, and as the Principle of Supply in action, it is impossible for me to have any unfulfilled needs or desires.

The Seventh Statement of Principle:

The Divine Consciousness that I am is forever expressing its true nature of Abundance. This is its responsibility, not mine. My only responsibility is to be aware of this Truth. Therefore, I am totally confident in letting go and letting God appear as the abundant all sufficiency in my life and affairs.

The Eighth Statement of Principle:

My consciousness of the Spirit within me as my unlimited Source is the Divine Power to restore the years the locusts have eaten, to make all things new, to lift me up to the High Road of abundant prosperity. This awareness, understanding and knowledge of Spirit appears as every visible form and experience that I could possibly desire.

The Ninth Statement of Principle:

When I am aware of the God Self within me as my total fulfillment, I am totally fulfilled. I am now aware of this Truth. I have found the secret of life, and I relax in the knowledge that the Activity of Divine Abundance is eternally operating in my life. I simply have to be aware of the flow, the radiation, of that Creative Energy, which is continuously, easily and effortlessly pouring forth from my Divine Consciousness. I am now aware. I am now in the flow.

The 10th Statement of Principle:

I keep my mind and thoughts off "this world" and I place my entire focus on God within as the only Cause of my prosperity. I acknowledge the Inner Presence as the only activity in my financial affairs, as the substance of all things visible. I place my faith in the Principle of Abundance in action within me.
